Adventure WV First-Year Trips Staff - Required Commitments for 2021 Season

The following outlines the basic requirements and schedule for anyone accepted to train and work with Adventure WV First-Year Trips for the 2021 season. The training begins with a 3-credit course in the Spring Semester (including two weekend experiences), then continues with additional training in the early part of the summer which leads into the scheduled work throughout June-August of the summer months. While all of the listed dates/trainings below are fully required for training and working with FYTs, some exceptions may be made for extenuating circumstances. You will have the opportunity to list and talk about any conflicts you may have during the application process.

Spring Semester Requirements

- Thursdays from 2-5pm: RPTR 251 Leadership in Experiential Education (3 credits)
- February 6-7: Leadership Retreat Weekend (Sat morning - Sun evening)
